

Moving vehicle: better Top1

vehicle | scene scene-0963 | actor 51d979a3

Shared oracle minFDE = 3.65 m; best-FDE candidate = mode 4

Identical six candidates in every panel. GT selects the oracle mode only for evaluation.
12 original future points; no interpolation or smoothing. Dark bar edge marks predicted Top1.
Purposive example selected after locked evaluation; it does not estimate population benefit.
